PAGE: In memory of William Braxton Page, who departed life one year ago, January 25, 1959.
For those who never knew you
The world may seem the same;
But to us who loved and lost you,
Life's but a bitter pain.
With tear dimmed eyes and aching heart,
We think each day of you.
Of the loving smile and words so kind,
For everyone you knew.
We miss you Daddy, in oh so many ways,
That time can't heal the pain;
Until our own last summons comes,
And we are with you once again.

Lime Plant No. 2 News

State Lime Plant No. 2- Jan. 27.- The M. Y. F.'s of Mt. Comfort and Trinity Methodist Churches enjoyed a social at the skating rink in Farmville Monday night.

After three hard - working days of examinations, the young ones (pupils of elementary and high school) had a holiday. Nice to be able to sleep late one morning!

Mrs. Helen Kern and son, Tom Kern, are on the sick list.

Tom is home from General Hospital, where he received treatment for several days. We wish for both of them a speedy recovery.

There seems to be an epidemic of flu everywhere.

C. T. Moses Jr. was the lay speaker at the Mt. Comfort Church on Sunday. The attendance was small as so many homes had sick ones with flu.

Mrs. Sue Johnston and Bennett Harding were Sunday afternoon visitors in the home of Mr. and Mrs. Alton Moore and family.

Ann Gay Cunningham came home for a few days vacation after midterm exams at Mary Washington College. She will visit her Dad in C. & O. Hospital in Clifton Forge while home. Mrs. Cunningham is improving nicely and is expected home next week.

Mrs. Powell, mother of Mrs. Cunningham, is spending some time in the Cunningham home. We welcome her in our midst.

We are saddened by the death of Mr. Edwin Alan Watson, 77, who was editor of the Lynchburg Foundry's famed magazine, "The Iron Worker" from 1933 to 1953. Quotas Listed For Tobacco Planting in '60

Acting Secretary of Agriculture True D. Morse today announced the 1960 marketing quotas for fire-cured type 21, fire-cured types 22 and 23, dark air-cured (types 35 and 36), and Virginia sun-cured (type 37) tobacco.

Growers approved marketing quotas for the 1958, 1959 and the 1960 crops of fire-cured and dark air-cured tobacco in referenda held Feb. 18, 1958. Virginia sun-cured tobacco growers approved quotas for the 1959, 1960 and the 1961 crops in a referendum held Feb. 24, 1959.

The 1960 quota of 11,771,000 pounds of fire-cured type 21 tobacco will result in a total of 9,132 acres available for allotment; the acres available for allotment; the quota of 47,540,000 pounds of fire-cured types 22 and 23 tobacco will result in a total of 32,785 acres available for allotment; the quota of 22,450,000 pounds of dark air-cured (types 35 and 36) tobacco will result in a total of 15,822 acres available for allotment; and the quota of 4,238,000 pounds of Virginia sun-cured tobacco will result in a total of 4,205 acres available for allotment. Included in each of the acreages available for allotment is a small reserve for adjustments, correction of errors, and new farms. This year's farm allotments for fire-cured, dark air-cured, and Virginia sun-cured tobacco will result in a about the same as for 1959.

Under a quota program, tobacco produced in excess of the farm allotment is subject to a marketing penalty of 75 per cent of the average market price for the previous marketing year. Prices for the crop are supported at the full effective level provided by law.

Fire-cured types 22 and 23 and dark air-cured tobacco are grown chiefly in Kentucky and Tennessee. Fire-cured type 21 and Virginia sun-cured tobacco are grown only in Virginia.

WOMANS' CLUB HEARS REPORT ON HOSPITAL

Information of interest concerning the Lynchburg General Hospital was given members of the Woman's Club at their meeting on Thursday afternoon by Raymond E. Hogan, Administrator, when he appeared as guest speaker at a meeting of the organization held in the club house.

Mr. Hogan conducted a tour of the hospital by using color picture slides.

The program was arranged by the Welfare Department of the club, of which Mrs. J. Ryland M. Mann, the County Welfare Director, introduced Mr. Hogan. At the conclusion of his talk, Mrs. Mann requested Mr. Hogan to explain the relationship of the Welfare Department and the hospital. He made this statement:

"In every community, there must be hospital facilities available for the care of the welfare patients and for cases to be cared for under such programs of the state as the Maternal and Child Health, Vocational Rehabilitation and Crippled Children. In most cities this service is rendered by most hospitals that are classified as non-profit institutions, and in some cases by hospitals which are private institutions. In Lynchburg area, only our hospital assumes this community responsibility. Last year, because of the contractual arrangements required which limit the amount of money available for such programs, our hospital rendered almost $50,000.00 more service in these programs than we received payment for. Such losses must be absorbed by the hospital."

Mrs. L. L. Stanley presided over the business session, in the absence of Mrs. Martin L. Webb, president.

Mrs. A. J. Zastrow was welcomed as a new member.

Hostesses for the afternoon were Mesdames George R. Collins, Howlette B. Martin, Calvin H. Robinson, Rachel F. Lawson and Miss Erna Dickerson.

Local Man On Special Duty

Norfolk, Va.- Raymond O. Johnson, aviation electronics technician first class, USN, son of Mr. and Mrs. Elen O. Johnson, of Appomattox, is serving with Air Anti-Submarine Squadron 36 operating out of Norfolk, Va. A unit of Task Group Alfa, the Navy's top sub-hunting development team, the squadron is presently flying from the deck of the aircraft carrier, USS Randolph.

Five Meetings On Aromatic

Five meetings have been scheduled to discuss production of Aromatic Tobacco. They are as follows:

Jones Store, Red House, February 4, 7:30 P. M.

Taylor's Store, Hixburg, February 5, 7:30 P. M.

Evergreen School, Fegruary 8, at 7:30 P. M.

Wilson Scruggs' Store, Vera, February 9, 7:30 P. M.

Martin's Store, Beckham, February 10, 7:30 P. M.

There are a number of farms that should consider growing aromatic tobacco. This tobacco has no allotment restriction, requires no topping or suckering. A considerable amount of labor is needed at harvest time. One could expect $1000.00 to $1200.00 per acre. Those growing it in Appomattox County last year were well pleased with the returns.

Tobacco seed will be available at these meetings to those who plan to grow the tobacco in 1960.

AMERICAN HISTORY MONTH

The members of the Daughters of the American Revolution believe that an interest in and a knowledge of our country's history is essential to an understanding of the present. Therefore, they urge all organizations, schools and individuals to take a littel extra time during February —the month in which both Washington and Lincoln were born— to meditate upon the great principles which guided our founding fathers.

February is designated as American History Month, and was so proclaimed by the Governors of all the states last year. A resolution is before the Congress of the United States for adoption at this session, proclaiming February as American History Month for all these United States.

Demonstration Club Schedule

Schedule of meetings of home demonstration clubs:

Feb. 8: Richwood Club will meet at 7:30 P. M. with Mrs. R. E. Wilson. Mrs. Wilson will give the demonstration. Mrs. Carter Martin will discuss the federation program.

Feb. 9: Sport Spring Club will meet at 2 P. M. with Mrs. George Collins. Mrs. Wesley Martin will give the demonstration, and Mrs. Hazel Phelps will discuss the federation program. Note change in date due to Leaders' meeting.

Feb. 10: Miss Katherine Habel will meet with club leaders for a training meeting for March demonstrations. Meeting will begin at 10 A. M. and will be held at the home agent's office.

LOCAL DRIVER WINS SAFETY AWARD

Arthur C. Layne, of Appomattox has recently received a Certificate of Merit for Safe Driving, awarded by Markel Service. The Certificate states:

"Mr. Arthur C. Layne, a Tractor and trailer driver for the Jamerson Bros Trucking Co., of Appomattox, for his contribution to Highway Safety by having operated a public transportation vehicle without a chargeable accident for 11 years, was awarded a Gold Pin and Bracelet."

Mr. Layne stated this week that he hopes some day to "figure out how many millions miles" he has driven! He has an outstanding record with his employer, the local Jamerson Bros. Trucking Co.

Town Drops Condemnation

To the Citizens of
The Town of Appomattox:

On Monday, Feb. 1, a special meeting of The Town Council was called at 7:30 P. M. in The Town Office.

During the past few months, the Town has been negotiating with the N. & W. Railway trying to work out an agreement with them whereby the Town would have control of the N. & W. property lying north of the Depot and adjoining Main St. It is the opinion of the Council and your Mayor that with the proper control of the above mentioned property, that the parking condition on Main St. can be greatly improved. This agreement with the N. & W. was presented to the Council and accepted and properly executed by both the Town and the N. & W. Railway. Some time in the very near future, I feel sure that the proper parking ordinances concerning the property will be passed by the Council and will be duly published in the Times-Virginian.

On Monday night, the Council was faced with a decision concerning the condemnation of a strip of land to connect Sunnydale Ave. and Wembly Lane. I would like to tell you the facts concerning this as best I know. In the latter part of 1959, after due consideration and after a public hearing was held, the Council felt it was proper to institute the condemnation procedure. After this was done the Court was required by law to appoint Commissioners to appraise the value of the property being condemned, and also to report to the Court the damages they felt the property owners were entitled to. The Commissioners were appointed and after viewing the property they reported to the Court that the value of the land was $1,075 and damages incurred to owners was $3,356.60. When this report was made to the Council it was their opinion that the total price was unreasonable, and too high. The Council, in turn requested the Court to review these facts and set aside the verdict of the Commissioners. The legal counsel reported back to the Town that the Court was not willing to set aside the verdict. With these facts, the Council was left with one of two decisions to make. Number one, accept the price for the value of the land and damages as set by the Commissioners and pay $4,425.60 to the land owners, or, number two, withdraw the suit. With the above facts in view, the majority of the Council voted to withdraw the suit. I certainly hope that I have been able to make the proceedings clear to everyone. If for any reason any of you good citizens have any questions, it will be our pleasure to clarify them to the best of our ability.

I again plead with you fine citizens to remember our "Clean - Up Campaign," and let's exert our efforts toward making Appomattox a "cleaner and better community in which to live."

Your counsel and advice on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.

DO NOT SPRAY FOR ALFALFA WEEVIL

On January 19, the Food and Drug Administration announced that tolerance of heptachlor residues on alfalfa must be zero. Therefore, heptachlor spray will not be permitted.

The following recommendations apply to controlling the alfalfa weevil:

1. Continue to follow recommendations regarding the use of fertilizer-heptachlor and 2¼% granulated heptachlor except that either of these treatments should be applied by not later than February 21.

2. If alfalfa is being seeded do not use fertilizer - heptachlor in the seedbed. Fertilizer mixed in the soil will have little or no effect on the weevil. If weevil appears, follow recommendations in number 1 above.

3. Previous recommendations applying to spray - conventional boom or by airplane is withdrawn effective immediately.

Spout Spring 4-H Club

The Spout Spring 4-H Club met Wednesday, Jan. 13. Mr. Gilliam gave a discussion on pig and chicken broodees.

Essay Winners Announced

Jane Wilson, 8th grade student at Appomattox High School, and Kenneth Coleman, 5th grade student at Appomattox Elementary School are the winners of the annual historical essay contest sponsored by the Appomattox Chapter of the Daughters of the American Revolution.

This contest has been sponsored for a number of years by the National Society of the Daughters of the American Revolution and, since its organization in 1958, by the Appomattox Chapter. The topic differs from year to year. This year it was "Historic Trailways." There are actually two contests, one for the 5th and 6th grade students and the other for the 7th and 8th grade students. The members of the local DAR Chapter feel that they were fortunate this year to have Mr. Calvin Robinson, historian, to serve as Judge of the local community's contest. The two winning essays have been sent to the State Historian to compete in the state contest.

Cobb Named To Vacancy On School Board

Joseph M. Cobb, Jr., of Clover Hill District, was appointed to fill out an unexpired term on Appomattox County School Board. He was named by the County School Trustee Electoral Board, of which Mr. Stuart Farrar is chairman.

Mr. Cobb will serve out the term of the Rev. W. H. Chappell, who resigned upon accepting a pastorate out of this county. The present term runs until July 1, 1963.

Mr. Cobb is vice-president of The Appomattox Garment Company, and is active in civic and club affairs in the county. He is the son of Mr. and Mrs. J. M. Cobb, of Pamplin. He is a graduate of Lynchburg College.

Other members of the County School Board are J. O. Davidson and T. DeWitt Evans.

CHANGE IN DATE FOR SOCIAL SECURITY REPRESENTATIVE

Due to the fact that Monday, Feb. 22, is a national holiday, the Social Security representative will be at Appomattox Court House on Monday, Feb. 15.

EIGHTY-FIVE DEER WERE BAGGED IN COUNTY

A record 28,836 deer and a six-year high total of 330 were bagged in Virginia during the 1959-60 season, according to tags returned to the Virginia Game Commission from big game checking station operators throughout the state.

The deer kill exceeded by almost 2,000 the previous season's 26,843 total. A drop in the deer kill in counties east of the Blue Ridge from 13,300 in 1958-59 to 13,098 last season was said by game commission officials to be the result of both buck-only seasons in a few counties which had antlerless shooting the previous season, and more restrictive hunting regulations on three military areas in York County. Most eastern counties experienced better shooting than in 1958-59, it was pointed out. The western deer kill rose from 13,543 to 15,738.

The bear kill, up 58 from the 1958-1959 season total of 272 higher than any recent season except 1953 when 359 were taken, reflected a good mast (acorn) year, game commission biologist agreed. Included in the 330 were 16 of the 50 bear tagged by commission personnel in a research project designed to determine harvest, movement, and other "bear facts."

Because one-third of the tagged bear were bagged, biologists believe bear may be being overshot in the Augusta County hardwood area. Most of the 32 tagged in the Blue Ridge were taken, while six of the 18 tagged on the Alleghany Mountains range were harvested by hunters.) However, they say, the harvest "evens out" because hunting pressure is not as great elsewhere in the bear range, and bear, which travel a great deal, probably move into these heavily-hunted areas from other counties during the closed season.

According to the report of the Game Commission, a total of 85 deer were bagged in Appomattox County during the season just closed. Buckingham reported 357.

Game Commission personnel are now tabulating the big game tags turned in for turkeys, the season on which closed January 16.

All hunting in Virginia, with the exception of fox hunting in a very few counties, came to a halt on January 30.

Magazine Photographer Takes Pictures Here

A photographer from the Better Homes and Gardens was in Appomattox on Monday, to take pictures at and around Old Appomattox Court House, for use in a future issue of that publication. With the approach of the Civil War Centennial Years, Appomattox stands to receive more and more national publicity in a wide variety of promotions in connection with the Civil War, which ended here April 9, 1865.

FIRE ALARMS

Volunteer firemen were called out twice Saturday. There was a chimney fire near Spout Spring, and a grass fire near Appomattox. Both were extinguished.
